## **BESPOKE • ODM**

We offer a wide variety of crystal and glass doorknobs in various shapes, cuts, sizes, and colors.

You will find knobs and handles that have a faceted jewel look to add to your timeless, ornate décor.

There are also smooth cuts without facets for a more sleek, contemporary feel.

# Color Swatch

To many, the finish on their hardware is as important as the design. This is the reason we spend so much time and effort to achieve beautiful, flawless finishes on our products.

With decades of experience in designing door hardware and knobs for other home accessories, we have no doubt that our products, produced with high-quality crystal and perfection, in combination with solid brass in attractive finishes, you will find a special touch of elegance and refined detail.
